

Barnsley Archery Club Eliminators December 10th 2017
Judges: Kieran Dexter, Sharon Tideswell & Gareth Beeby
Tournament Organisers: Sophie & Tony Carpenter

Barnsley Archery Club would like to thank **Custom Built Archery** for kindly sponsoring the event, to Kieran, Sharon and Gareth for doing a grand job with the judging and to 'all' club members who helped during the day. Also, we were thrilled to know that everyone competing and watching the event had a great time!

Unfortunately, the morning session had to be changed at very late notice from the advertised pool head to head matches in the morning to a WA18 qualification round to determine the afternoon Eliminator seeding. This was due to the forecasted adverse weather conditions (snow!), which resulted in too many entry cancelations at late notice to allow the full format to work.

Thank you to everyone who stayed to the end providing a fabulous atmosphere for the final event!

If you enjoyed the venue and atmosphere and would like to take part in another indoor event, we will be holding a **WRS WA25/18 combined on Sunday February 11th 2018**. Watch out for the entry form very soon on our website, Facebook page and the Yorkshire Archery Association website.

Good shooting, Merry Christmas and Happy New Year from all at Barnsley Archery Club!!
